

Signs for Smoke-Free Common Areas

Minnesota state law requires all indoor common areas of apartment buildings (with three or more rented living units) to be smoke free (Minn. Stat. § 144.413 subd.2). Live Smoke Free offers signs to display in your common areas to inform your residents and guests that the common areas are smoke free.

Some of the indoor common areas covered under the state law include:

- Hallways
- Laundry rooms
- Underground garages
- Rental and maintenance offices
- Building entryways
- Exercise/party/community rooms
- Indoor swimming areas

If you would like more information about the state law, please contact the Indoor Air Unit at the Minnesota Department of Health at 651-201-4601 or visit <http://www.health.state.mn.us/freedomtobreathe/>

****Due to limited quantities, the maximum number of signs each property can receive to 5 signs per rental building. Live Smoke Free reserves the right to limit orders based on materials available.****

Quantity Sign

_____ Window cling (9"x4")

_____ Plastic sign (9"x4) (has adhesive on back and grommets for nails/screws)

Please fill out this form (front and back) and return to:
